

Marillac St. Vincent is a 100 year old social service organization working to end the cycle of poverty and violence in Chicago. We have hundreds of families who need your help making their Holiday Wishes come true for their children. This year we are asking for new toys for children from birth to 12 years old. The age categories are 0-4 years, 5-9 years, and 10-12 years. On behalf of the children and families we serve, we thank you for helping make this a special holiday season!

Toys will be distributed on Saturday December 17th!
In order to prepare, we are asking that we receive donations by Monday, December 12th.
